Thanks Ginny...

I know we were all on the same page with the general approach but I need to make sure the letter is spot-on on a lot of levels, and won't be able to do that by Thursday...

Gerard-

I forwarded EPA comments on the draft letter to Angela late morning. We were generally in agreement with the letter as drafted. I am in a meeting until 3:30 but will review draft agenda and get you our comments by 4pm.

Hi all,

Still working through the draft of the letter... And if you are too, you know it is a very complex and long letter. Given that, we have to prepare for the possibility that we may not get it out before the meeting.

Hence, Plan B.

I have attached an draft of a proposed detailed agenda that outlines our position on the Phase III. Since it looks like we are not going to get the letter out before the meeting we need to send the agenda beforehand... We would like to send it by the end of the day to give AVX and Brown & Caldwell time to prepare for the discussion.

Let me know what you think.

Thanks for all your input.
